NOTICE

A notice of intent for the following project submitted in accordance with §R307-401-1, Utah Administrative Code (UAC), has been received for consideration by the Executive Secretary, Utah Air Quality Board:

**Company Name** Hallmark Cabinet Company

**Location:** 4851 S. Warehouse Rd., Kearns, Utah

**Project Description:** Hallmark Cabinet Co. has submitted a Notice of Intent (NOI) to construct and operate two additional paint booths.

The source will be located in Kearns, Salt Lake County, Utah. Salt Lake County is a Non-attainment area of the National Ambient Air Quality Standards (NAAQS) for PM<sub>10</sub> and SO<sub>2</sub>, and is a Maintenance area for Ozone. There will be no violations of the NAAQS resulting from this project.

New Source Performance Standards (NSPS), National Emission Standards for Hazardous Air Pollutants (NESHAP) and Maximum Available Control Technology (MACT) regulations do not apply to this source. Title V of the 1990 Clean Air Act does not apply to this source.

The source has limitations that are established in the Intent to Approve. Visible emissions are controlled by opacity standards set in the ITA. Some of the limitations that are listed in the ITA are included in this newspaper notice and are as follows:

The emissions, in tons per year, will not change.

The potential to emit totals, in tons per year, are: PM<sub>10</sub> = 0.23, NO<sub>x</sub> = 0.21, CO = 0.18, VOC = 21.54, HAPs = 9.80

The completed engineering evaluation and air quality impact analysis showed that the proposed project meets the requirements of federal air quality regulations and the State air quality rules. The Executive Secretary intends to issue an Approval Order pending a 30-day public comment period. The project proposal, estimate of the effect on local air quality and draft Approval Order are available for public inspection and comment at the Utah Division of Air Quality, 150 North 1950 West, Salt Lake City, UT84114-4820. Written Comments received by the Division at this same address on or before March 19, 2005, will be considered in making the final decision on the approval/disapproval of the proposed approval order. Email comments will also be accepted at [tdejulis@utah.gov](mailto:tdejulis@utah.gov). If anyone so requests to the Executive Secretary at the Division in writing within 15 days of publication of this notice, a hearing will be held in accordance with R307-401-4, UAC.
